

Preparation for Camp Checklist

The New Jersey Children's System of Care (CSOC) may be able to provide eligible children, youth and young adults up to age 21 financial support toward camp tuition. Look at the following links and advice to help you navigate the system.

- **Read the FAQ Summer Camp:** bit.ly/csoc2017campfaq
- **Make sure your child's camp is a CSOC qualified camp provider:** bit.ly/dcfcamplist
- **Ask camp for an Acceptance letter** (on camp letterhead) and send it with the application.
- **Complete the CSOC Summer Camp Application:** bit.ly/csoc2017campapplication
- **If a 1:1 aide is required** you need to submit a separate application at the same time as the request for financial support toward camp. More information and the application for a 1:1 aide can be found at bit.ly/csoc2017campapplication
- **If a 1:1 Aide is required** fill out the "Child Adaptive Behavioral Summary" (CABS) along with the camp provider.
- **Application(s) must be completed and postmarked to PerformCare by April 30, 2017.**
