Junior Counselor Program A Life Skills Workshop

Our junior counselors gain a sense of responsibility and accomplishment by being an integral part of camp operations, in addition to having a fun camp experience.

Screening Process

Our screening process ensures each camper is a good fit and will have their needs met appropriately while enjoying their camp experience.

Social Skills Group

Lessons delivered by an LCSW and BCBA aimed at teaching campers skills such as conversation, feeling/emotion identification, and problem solving strategies created to accommodate each of our camper's individual needs.

Weekly activities include:

- Music & Movement, Live Band, Police and Fire Department visits, Snapology and Yoga
- Exploring new friendships through common interests and team building by joining clubs such as: Sensory, Sports, Science, Cooking and Games

Explorations include:

- Exploring the world on weekly field trips such as:
- The Big Event Bowling
 - Camden Children's Garden
 - Kaleidoscope Horse Farm
